Aonang Princeville Villa Resort & Spa

Aonang Princeville Villa Resort & Spa, Krabi-Thailand achieves world class Standard "GHA's WellHotel® Accreditation for Well-being & Medicel Travel"

We are proud to announce that Aonang Princeville Villa Resort & Spa: A premier exclusive healthy & luxury experience scenic beachfront resort in Krabi, Thailand which is the first resort in the world that has been awarded WellHotel® Accreditation both of Well-being and Medical Travel by Global Healthcare Accreditation-United States on May 13, 2021.

Aonang Princeville Villa Resort & Spa has been completed GHA WellHotel® Accreditation with 100% score: "Where Hotel Standards Prioritize Safety, Health, and Guest Experience." GHA is the only accreditation program focused on medical travel; accrediting and/or certifying leading hospitals, clinics, and hotel for medical travel & wellness.

- Assisting medical travel guests to understand and use appropriate safety protocols for their hotel stay before and after treatment.
- Assuring guests that the hotel has been cleaned and disinfected to recognized industry-wide standards.
- Providing assurance to medical travel and wellbeing guests that the hotel identifies and supports the cultural, dietary, religious, handicapped access, and other unique needs of the guests/patients.
- Instilling peace of mind that proper cleaning is an ongoing priority of the hotel.
- Ensuring a trained team of staff are educated to support the medical and wellness guest accommodation and recovery experience.
- Exceeding expectations by focusing on the unique needs of medical and wellness guests.

We are very delighted to welcome you all to our wellness & safety experience with 100% staff Covid-19 vaccinated. Moreover, Krabi will open for oversea travelers in August 2021 with campaign " KRABI EVEN MORE AMAZING " as a sealed route (Exclusive travel area) with standard safety operating procedure. Stay healthy, stay safe.

Care for the community

There are many ways in which the resort cares for the community and supports community tourism. Through various activities the resort raises awareness and contributes to the wellbeing of the local environment and helps to generate additional income for the community.

1. Care for the forest

Through various activities the resort helps to restore the forest for future generations to enjoy.

2. Care for the sea

The resort helps to educate and raise awareness of the environmental issues facing our seas and oceans and how everyone can help to conserve marine life.

3. Care for the local culture

The resort helps to preserve the local culture and way of life.

4. Care by giving

By giving, the resort is helping to build a better society and encourages others to donate or join in with good deeds.

SAFETY & EMERGENCY ASSISTANCE

Aonang Princeville Villa Resort & Spa

Aonang Princeville Villa Resort & Spa is now open to all travelers in accordance with the most current guidelines from local government and health authorities. As we continue to navigate these unprecedented times, we remain committed to providing a safe and secure environment for our guests. We work closely with local professionals and medical staff to deliver the highest standards of safety to our guests from the moment they arrive up to the minute they leave.

How do we care?

To keep our guests and colleagues safe we have introduced a number of safety measures which are Safety & Health Administration Certified. These measures help to prevent the spread of COVID-19 and stay safe during your visit to Aonang Princeville Villa Resort & Spa.

Fire Evacuation Plan

In the event of a fire incident at the hotel, an evacuation plan is in place to ensure the safe and timely exit of all persons from the buildings to the nominated assembly points. Emergency exits and assembly points are clearly signposted throughout the property.

Tsunami Evacuation Plan

In the unlikely event of a tsunami reaching the shores of Krabi, an evacuation plan in place to guide guests and visitors to safety. The hotel performs regular tsunami evacuation drills to educate staff on the sounds and sights of an upcoming tsunami, as well as how to respond during such an emergency.

Safety Training

The resort is concerned with the safety of guests at all times and has trained employees in first aid to respond in emergency situations by performing CPR and other first aid treatments.

Emergency Contacts:

Emergency Ambulance – 1669
Wattanapat Hospital Aonang Hotline – 075 815 555
ANGL Guard emergency healthcare app

Poisonous Jellyfish

Jellyfish and sea urchins amongst other sea creatures can be poisonous and cause harm. Avoid them if at all possible, however if the skin comes in contact with them you will need to seek first aid assistance.
